Hello Highland Families,

We received our waiver to offer a lunch program for all children ages 1-18. In Craigmont pick up for lunch will be from 11:00-12:30 at the gym. All other lunches will be delivered on the bus routes. We are starting this today.

For our secondary parents I am sure receiving communication and lessons from all of their teachers is a bit overwhelming. Please know that that was not our intentions. With this new world we are living in there will be feelings of frustration, depression, uncertainty, anxiety, and loss. Loss of friends, loss of connection, loss of events. We are here for you. Please feel free to contact their teachers if you are not sure of an assignment, or the way it was presented feels overwhelming. Please just do your best, students should not be doing 8 hours of homework a day. We will adjust as we need to, so please communicate with the teachers if something is not working for you. Fluid and Flexible is our new motto.

Sincerely,

Dr. Hatfield
